#JC: Good morning and welcome  
back to the land of the Wolves. I  
hope you have had a productive time  
off and are ready to make a positive  
impact here at Oswego East High  
School. We will be celebrating many  
successes from last year due to your  
performance and achievements. We  
came extremely close to our ACT 21  
goal last year. We ended up at a  
20.4. That is a substantial gain and  
we are very proud of you and of our  
school. Because of this success we  
are resetting our goals to continue to  
get better. This year our ACT target

DR. CRAIG OC / CAM #3

is 21.5. Freshmen and Sophomores we are also asking you to make this your focus. You too will be given a practice test in April. Sophomores, your target is 20.0 and Freshmen it is an 18.0. That process starts today and we can't take any days off. We believe that we have the best school in the state and we will work very hard together keep it that way. Our success begins and ends with you. It's why we show up everyday. Enjoy your day and have a fantastic year. Thank you.
