OTS: Weather Map

#WX: It was a cloudy 38 degrees when we arrived at East. We can expect a little more rain this afternoon but it should end before kickoff. Dress warm for the Homecoming Football Game because temperatures will dip back into the thirties by the third quarter when East already has a three touchdown lead. It wouldn't hurt to wear a hat and gloves. The weekend promises to be warmer. Saturday's high will be 49 degrees and we'll get some sunshine on Sunday. The high on that day will be 55. So don't let tonight's weather get in the way of a good time. Have a

great homecoming. Now back to Sam and Katie.
