2-SHOT / CAM #2 #2: Now it's time for the forecast.

2-SHOT / CAM #2 #1: Here's Arielle...

OC / CAM #3 #WX: As predicted, we had a lot of rain
OTS: Weather Map over the past 24 hours. Unfortunately,
we're going to get more rain today. The
high will be 54. The rain should end
sometime this afternoon. Tomorrow will
be partly cloudy and colder. Highs will
be in the middle 40's. We could get
more rain on Sunday. The weather
service predicts that the high
temperature will be 58 degrees. So the
rain will eventually end, but the clouds
will stay. That's the weekend forecast.
Enjoy your days off. Now let's send it
back to Mark and Natalie.

the day in sports.
