

Monarch Award

Dear Parents,

Homestead is again supporting the Monarch reading program for our kindergarten through second grade students. There are twenty nominees for the Illinois Monarch Award. Students may read with a parent or alone. We have multiple copies of each title here at school, but you are welcome to find the books at your public library. After your child has read a book, he or she will complete an Accelerated Reader test. Students who have read at least six titles by February 1st can vote for their favorite title! Great America tickets will be awarded for students who read and tested on at least twelve books. Thank you for your support! You may visit our website www.oswego308.org/schools/homestead/lrc and click on Homestead LRC for more information.

Monarch Award 2008 Nominees

Arnold, Tedd
Best, Cari
Brett, Jan
