CHARACTER COUNTS

Long Beach's faculty, staff, and administration celebrated and honored their Character Counts winners for the First Quarter by holding breakfast in their honor. The children were invited to Long Beach on November 5 for a breakfast and awards ceremony where they received a certificate and medal for their outstanding behaviors. We are very proud of them and hope we can honor just as many during the second quarter.

AMERICAN EDUCATION WEEK

American Education Week is an opportunity for all of us in the Long Beach Community to say THANKS to the men and women that serve our children everyday in public education. Please take time out to thank those educators for what they do and be sure that the week of November 16-20, 2009 is a week to honor public education.
