

Student Council Of Old Post

Dear Parents,

I am very excited to be working with your child as we begin the Student Council Of Old Post (SCOOP) for the 2008-2009 school year! Listed below are the dates for our meetings from now through the end of the school year. There are 15 scheduled meetings. I ask that students attend all meetings and arrive on time. It is important that each child take this opportunity seriously as there are many children who were not chosen to be a part of SCOOP this year. If your child is unable to attend more than 2 meetings or arrives late to more than 3 meetings, we will have to ask them to step down from SCOOP and another student will be chosen to take their place.

There will be additional times SCOOP members will be called upon to be at. Those events and times will be brought to your attention as soon as possible and are COMPLETELY OPTIONAL! I hope to get SCOOP involved in some school events such as Teacher Appreciation Week and other school events.

SCOOP will be a great way for students to make a difference and to share their ideas and opinions in the school. We appreciate your support of the Old Post Student Council. If you have any questions or concerns, please contact me. I look forward to a great year!

Mr. Francis
