- Our children are very special, and each of their birthdays is a wonderful time to celebrate how special they are! We work very hard to help children celebrate their special day. If they bring birthday treats to share with their class, there are wonderful, creative, and fun, non-edible items they can share (note pads, erasers, book marks, stickers, pencils, etc.) Please refrain from sending any home baked or bakery baked items. Only individually packaged food items with ingredients clearly labeled will be distributed. For the safety and health of all of our students, we greatly appreciate your cooperation!
- Please be aware that the **Picture Presenter and Party Parent meetings** are both **on Thursday, October 8, 2009**. Please disregard any other dates for these meetings. Halloween is coming! Please check out the back of this Wildcat Weekly to be sure your students are ready for October 29th.
- Congratulations to our own Old Post Triathletes who participated in the swim, bike, run in the Kid's Triathlon on September 27, 2009:
 - 3rd grader, Abby Lloyd (3rd place)
 - 4th grader, Tyler Yingling
 - 5th graders, Vivian Vavrinek, Josh Torrez (3rd place on the 6th grade team), and Connor Schepp
- With the year in full swing, please be sure to talk with your children about ways to stay safe while waiting at the bus stop, walking to school, and walking home from school. We will also be addressing these safety issues with students at school.
- Each year Mutual Ground Inc. provides classes for 1st and 4th graders on Personal Body Safety at each of the Oswego elementary schools. Our children will receive these classes during the last week in October. A parent information night will be hosted at Prairie Point Elementary school on Oct 7th, at 6:30 p.m..
