PTA Family FUNdraiser, 5:30 p.m.

- Gear up for Red Ribbon Week; it will be the week of October 19th. We have lots of fun activities planned! (See back side of Wildcat Weekly!)
- **7 more days until the Old Post Fitness FUNdraiser.** Please continue to ask your friends and family to help you reach your sponsorship goal! Prizes will be awarded to the class with the most participation and the class with the greatest amount of donations. Join us Friday, October 16 at 5:30-7:00 for this family event that promotes fitness while raising money for our school programs. Make sure to bring your completed sponsor form and donations collected (regardless of the amount) to the walk or turn them in to your teacher by Monday to be included in participation calculations. The cafeteria will be open to share a picnic dinner and socialize with friends.
- For sanitary, safety, and health reasons, please keep pets in your vehicles or away from the school sidewalks during arrival and dismissal times. Your cooperation is greatly appreciated.
- Don't forget, Kindergarten vision exams are due by October 15.
- Our children are very special, and each of their birthdays is a wonderful time to celebrate how special they are! We work very hard to help children celebrate their special day. If they bring birthday treats to share with their class, there are wonderful, creative, and fun, non-edible items they can share (note pads, erasers, book marks, stickers, pencils, etc.) Please refrain from sending any home baked or bakery baked items. Only individually packaged food items with ingredients clearly labeled will be distributed. For the safety and health of all of our students, we greatly appreciate your cooperation!
