- Because it is cold and flu season, we at Old Post, want to work cooperatively with families to help promote prevention! Now that the weather is getting colder, please be sure to send students in warm coats and hats and gloves! We encourage students, several times a day, to wash their hands and to cover their mouth and nose with a tissue or their sleeve when they sneeze or cough. The three C's are clean, cover, contain! We encourage students to get an appropriate amount of sleep and eat a healthy diet. Thanks for communicating so well with us!
- A huge thank you goes to Mr. and Mrs. Bresingham. They are donating a 17-bookset of Hardy Boys Graphic Novels to our LRC. Thank you so much for your generosity!
