

## Home and School FAQ's

---

### **What is Home and School?**

Home and School is an organization of teachers, staff and parents who work to enhance the already outstanding school experience that all Southbury students have.

### **How do I get involved?**

First, you become a member by filling out a membership postcard. You are then a voting member who can attend our meetings on the first Thursday of every month. You can also volunteer for a committee or choose to chair an open committee. There are one-time and ongoing events. Also, if there is not a committee in existence for something that you feel would be beneficial to the Southbury community, you can add to what is already being done by starting a new committee.

### **What does it cost?**

Membership dues are \$10. These fees help pay for activities, events or resources for the students at Southbury. Checks can be made to Southbury Home and School.

### **What volunteering opportunities are there?**

Check out the role descriptions sheet on the registration table, or go to the Southbury website and check out the Parent Organization page. There will be more information about each committee. There are other volunteer opportunities available through the Volunteer Coordinator.

### **Who do I contact with questions?**

You can contact the Home and School president, Jim Melton, at [homenschool@sbcglobal.net](mailto:homenschool@sbcglobal.net) or 630.551.0438. Executive Board members have their contact information listed on the website.
