

SOUTHBURY SHARKS

HOME AND SCHOOL NEWSLETTER

Dear Southbury Parents,

It's all about the kids! Home and School gives the parents a chance to enhance the already outstanding job the teachers and staff are doing at Southbury to give our children the elementary school experience they deserve. While we recognize that parenting our own kids is the primary mission for each of us as parents, we also look forward to playing a large role in the school. So we ask you to first keep making your children a priority in your life. And if you feel that you can make a positive difference in the lives of your children and others at Southbury, become a part of our team. It's all about the kids!

Thank You,
Jim Melton
Home and School President

FIRST MEETING THURSDAY! SEPTEMBER 3, 6-7 PM, SOUTHBURY

Meetings are foundational to Home and School as it is the place where most major decisions are made. At the first meeting, we will discuss our vision and mission for the year and nominate the First Vice-President, Second Vice-President, Corresponding Secretary and Recording Secretary. Volunteer opportunities and committee responsibilities will also be shared, along with a chance to become a member of the team!

MEMBERSHIP

To become a member of Home and School, just contact Jim Melton using the information below and give him your name, address, email and phone. There is a \$10 fee to cover the costs associated with Home and School. Then, bammo, you are in! You can vote at meetings, head up committees and help make kids' lives better!

PREVIEW BARBEQUE

Thanks to the over 100 families that showed up at the Barbeque! It was fun to hang out with all of the parents and kids. We are very sorry to all of the families who were in line when the food ran out. We promise better in the future. Overall, it was a success and while we didn't want to charge people over cost, we did make \$110 on the evening to help the school!

GIVING THANKS

Sandy, Denise, Famous Dave's (great deal), Cat, Traci, Lynn, Laura, Cheryl, Annette, Kelly, Margaret, Mindy, Mercy, Phil, Tracy, Donna, Ralene, Sue, Jay Cutler and all who make Home and School possible
