Director of ELL & Dual Language Services

At the April 21st, 2008 Board of Education meeting, a full day of kindergarten pilot was approved. Dual Language kindergarten and ELL kindergarten are part of the pilot. These kindergarten programs will be housed at Southbury Elementary School. There will be a half-day kindergarten program for ELL housed at Boulder Hill Elementary for the 2009-2010 school year. There will not be a half-day Dual Language program for kindergarten students.

All other Dual Language programs will be housed at Hunt Club Elementary for the 2009-2010 school year. Busing will be provided for all ELL and Dual Language program students.

Sincerely,
